

University Transfer Guide 2022 - 2023

UBC Bachelor of Science: Forest Sciences

The following information is a summary of the transfer and program requirements from the university website. For more detailed information such as additional courses, GPA requirements etc., please consult with one of our academic advisors.

To apply to UBC as a transfer student, you are strongly encouraged to have **24 transferable credits completed by May.** Having more than 24 credits applicable to your intended program may increase your likelihood of admission. https://you.ubc.ca/applying-ubc/requirements/university-college-transfer/

-The following information is from UBC website:-

- To be eligible for second year of the Forest Science major, students must have completed 6 credits of first-year English; **BIOL 121 and 140** and one of **BIOL 111** or Biology 12; **MATH 100 and 101** (or 102 or 103); and CHEM 111 and 113, or **121 and 123**.
- Successfully complete six credits of post-secondary first-year English studies at a recognized university in an
 English-speaking country. For more information, please check UBC English Language Admission Standard
